

Spot the difference

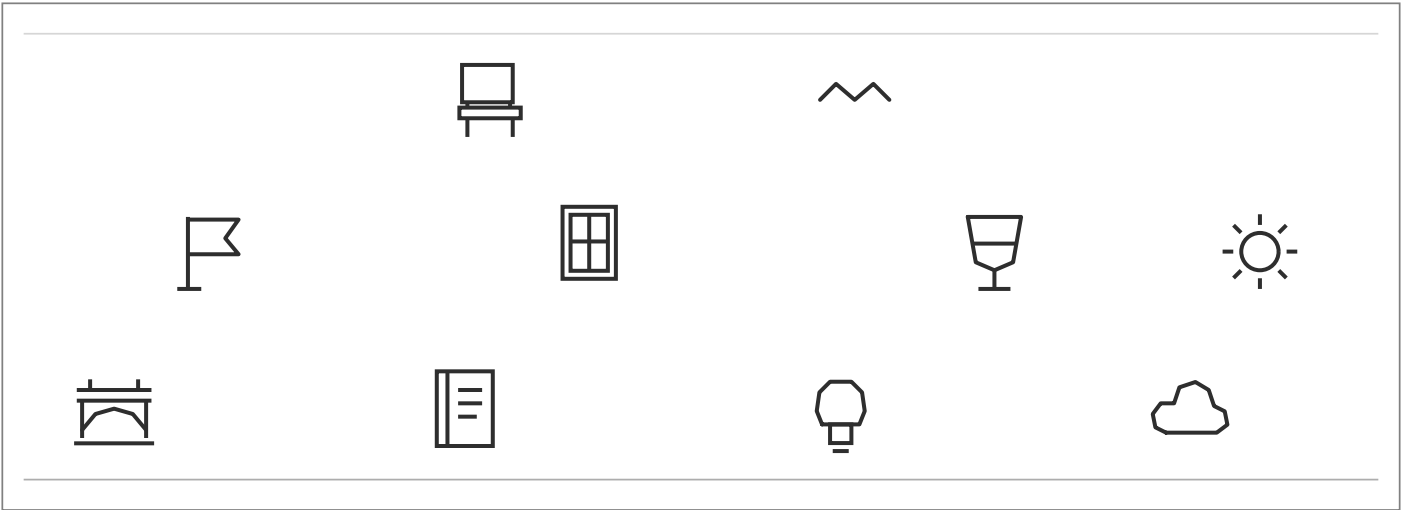

Look closely at two versions of the same original picture.

Find 6 changed or missing objects. Circle them in scene B.

SCENE A

SCENE B

Compare the pictures. The background stays the same; only objects change.

Pattern detective

Keep the pictured block repeating. Fill the next two spaces.

Find the repeating picture block. Fill the next two boxes.

1.          

2.          

3.          

4.          

5.          

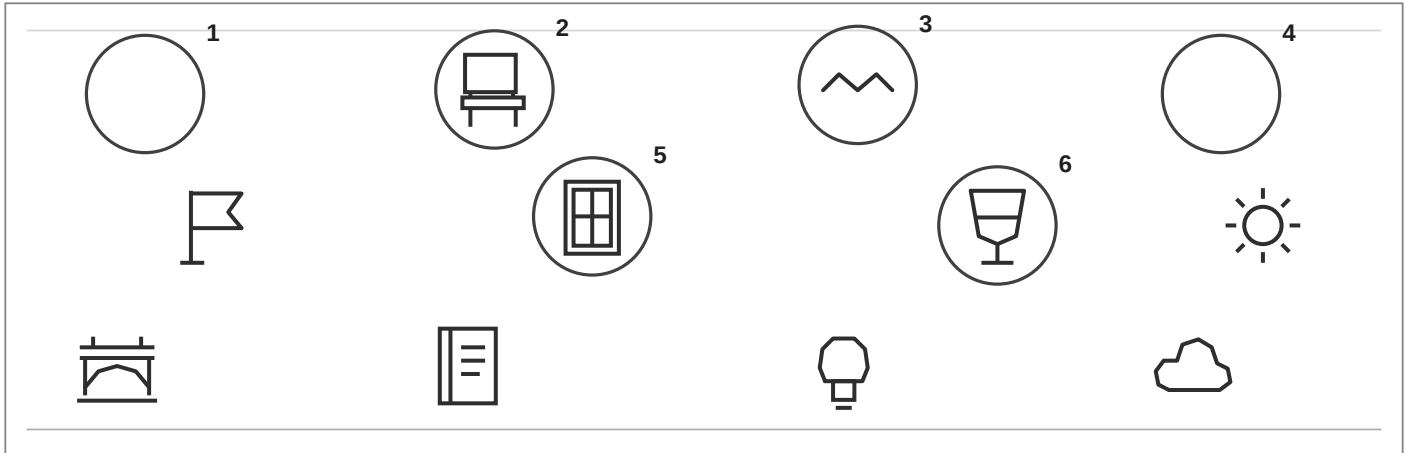

6.          

Draw the next pictures, or write their names. Keep the pattern repeating.
